We are pleased to invite you, on behalf of ASAIHL and our host the Philippine Council, to attend the Conference on "Reconfiguring Universities for the Future" during 25-27 July 2019.

The Conference has three sub-themes as follows:

1. Academe-Industry-Government Partnerships for Teaching, Research and Development
2. Knowledge Sharing and Production in the Fourth Industrial Revolution
3. Technology Integration and Instructional Design for Global and Culturally Diverse Learners

As usual practice, the selection of the country papers and the speakers will be undertaken by the Chairman of your National Council or the ASAIHL Board members. Please submit nominations for your country report to the Chairman of your National Council or the National Representative on the Board at your earliest convenience.

The closing date for abstract submission is 28 February 2019 and the full paper submission is 30 April 2019.

Even though ASAIHL is the only association that has no policy to charge registration fee to attend our conferences, seminars or workshop since 1956, the 115<sup>th</sup> Board meeting in Indonesia has set a limit of three participants per one member institution for attending ASAIHL Conference free of charge and additional participants must pay a registration fee.

Should you require any other information, please contact the following:

We look forward to welcoming you in the Philippines in July 2019.

Sincerely yours,

Dr. Ninnat Olanvoravuth
